

NORSONS

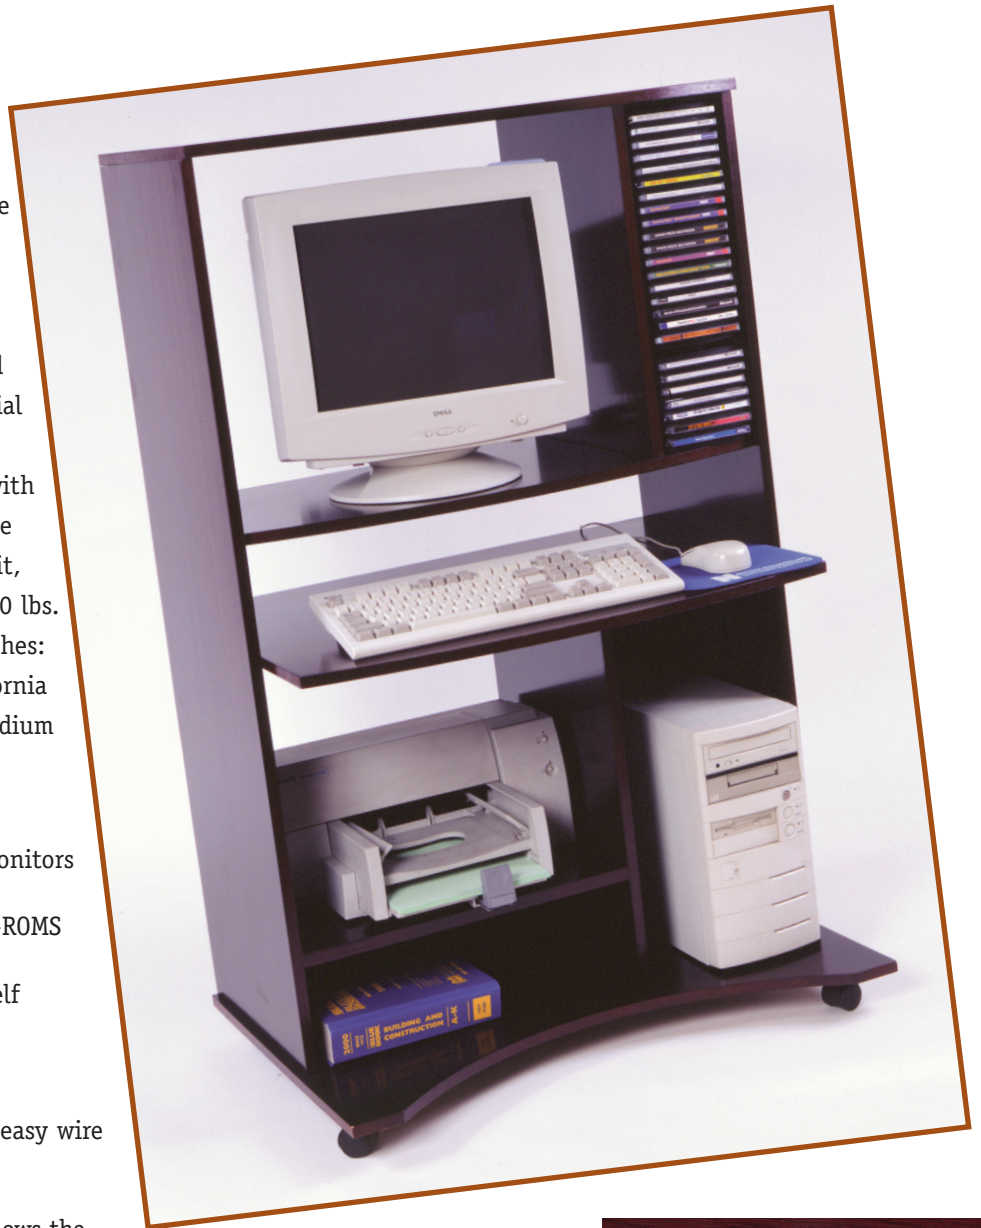

THE ALL IN ONE COMPUTER CONSOLE

The All in One Computer Console is a new concept from Norsons for the 21st century. It is genuine wood furniture that provides storage for all computer related accessories in a stylish, functional, and small footprint package. It fulfills all the needs of the home office, office and school computer user in a commercial quality, easy to assemble, very affordable package. It is 51"High (with casters) x 31"Wide x 22" deep at the keyboard and the bottom of the unit, 15" deep at the sides, and weighs 80 lbs. Available in five genuine wood finishes: Mahogany (pictured); Walnut; California (Medium) Oak; Natural Oak; and Medium Cherry veneers.

It features:

- ✓ Sufficient space for 17" & 19" monitors
- ✓ CD-ROM holder that holds 25 CD-ROMS
- ✓ A fixed printer and keyboard shelf
- ✓ Vertical CPU shelf
- ✓ The open back design allows for easy wire management
- ✓ The cutout style of the bottom allows the user to be comfortable and be more productive
- ✓ The contoured keyboard shelf gives user a large workspace
- ✓ Set of casters (2 locking) is included
- ✓ Ships via truck
